### **The NASCAR Racing Experience**

This is a driving experience like no other racing experience or racing school -- an experience you will never forget!

**Enjoy a package for two that provides classroom training AND the ability to drive real NASCAR Monster Energy Cup cars on a professional super speedway track during one 8-minute racing session per driver.**

**Note:** If your party has only one driver, he or she can enjoy two 8-minute sessions. (Total of two 8-minute sessions per package.)

**There is no lead car to follow and no instructor riding with you.** Personal racing instructors communicate with you using 2-way radio racing electronics, as well as be your spotter, coaching you during the racing sessions and helping you achieve fast speeds safely. **Passing is allowed** -- pass the slower cars as you catch them, putting the pedal to the metal and seeing if you have what it takes to be a NASCAR driver!

This exhilarating experience begins when you arrive at the race tracks infield at the NASCAR Monster Energy Cup garage. After check-in, get suited up and attend the Drivers Meeting with the Crew Chief that covers all training, instruction and a video presentation. Package includes a graduate certificate, souvenir license, liability and insurance.

Indy-style open-wheel racing, which puts you behind the wheel of a full sized Indy-style race car, may be substituted for the NASCAR Driver for a Day adventure.
